

# Download the free e-reader app from the New York Public Library!

## SimplyE - The App

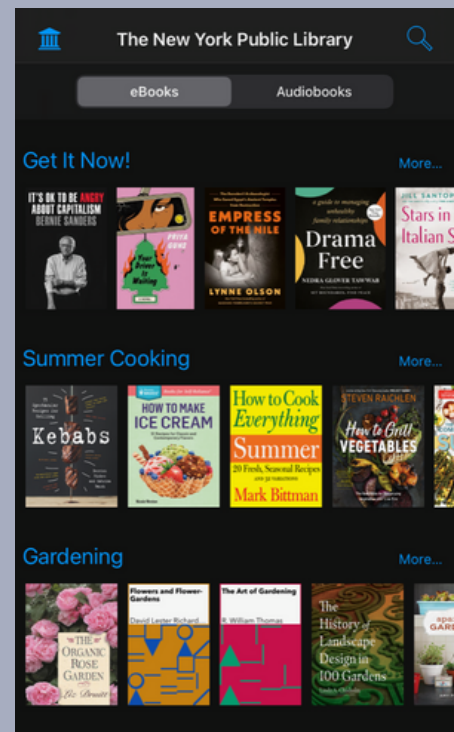

The New York Public Library allows any student studying in the State of New York to get a free library card online and access their amazing digital content through the app, [SimplyE](#). You can access thousands of ebooks and audiobooks, including content in other languages through SimplyE!

## Getting Started

The New York Public Library (NYPL) has several resources that walk you through downloading and setting up the app on your phone or tablets. Scan the QR Code below to get started. Some important things to note include:

- You **MUST** be within the borders of New York State when you first download and sign up for your digital card.
- You can get a digital library card to NYPL within the SimplyE App by clicking "sign up" once it asks for your library card number and pin.
